2020 – 2022 Municipal Recycling Services for the Borough of Chambersburg

The Borough intends to award a three (3) year agreement to begin on the second Monday in January 2020 and to end on the first Friday of January 2023, with an option, in the sole and absolute discretion of the Borough, to extend the agreement for a fourth year to end on the first Friday of January 2024. 12. Award of Contract

The Borough reserves the right, without limitation, to reject any or all Bids, including without limitation the rights to reject any or all nonconforming, nonresponsive, unbalanced, or conditional Bids and to reject the Bid of any Bidder if the Borough, in its sole and absolute discretion, believes that it would not be in the best interest of the project to make an award to that Bidder, either because the Bid is not responsive, the Bidder is unqualified or of doubtful financial ability, or the Bid or Bidder fails to meet any other pertinent standard or criteria established by the Borough.

The Town Council of the Borough of Chambersburg intends to award the Contract to the overall lowest responsible Bidder, as determined by Town Council in its sole and absolute discretion to be in the best interest of the Borough. The Borough of Chambersburg has a strong preference for Bidders who are willing and able to recycle glass products and include in their Bid a quote that encompasses the cost of glass recycling.

In evaluating Bids, the Borough may conduct such investigations as the Borough, in its sole and absolute discretion, deems necessary and/or desirable to assist in the evaluation of any Bid and to establish the responsibility, qualifications, and financial ability of Bidders, proposed sub-contractors, suppliers, and other persons and organizations to perform and furnish the Services in accordance with the Bidding Documents to the Borough's satisfaction within the prescribed time. The Borough reserves the right to interview Bidders.

If the Contract is to be awarded, the Borough will give the apparent Successful Bidder a Notice of Intent to Award.

The Successful Bidder is required to complete an Internal Revenue Service Form (W-9) providing the Successful Bidder's taxpayer identification number (TIN), address, and, if applicable, certification regarding backup withholding prior to and as a condition of the award of the Contract. SPECIFICATIONS

Project: 2020 – 2022 Municipal Recycling Services for the Borough of Chambersburg

1. Contractors are directed to prepare their Bids such that their proposed service charges reflect both a **per-customer fee that shall be charged for each customer served** whereby the Contractor intends to keep all revenue from the sale of collected material; AND, a **lump sum approach to provide the service for the entire municipality no matter how the number of pick up locations increases or decreases over the course of the contract** whereby the Contractor intends to keep all revenue from the sale of collected material. In addition, Contractors shall submit these proposed service charge amounts to reflect either the inclusion or exclusion of glass recycling services. Contractors have the option to submit proposed service charge amounts reflecting both the inclusion and exclusion of glass recycling services. The approach ultimately used will be that which is determined to be in the best interests of the Borough. It is the Borough's strong preference that glass recycling services be included with the proposed service.
2. The exclusive right and privilege of collecting and marketing all residential recyclable material (and those commercial and not-for-profit service locations with residential style recyclable material collection) in the Borough of Chambersburg will be given to the Contractor under a Contract entered into between the Borough and the Contractor. If the Contract is awarded to a Contractor who has not provided a proposal for glass recycling services, the exclusive right and privilege of collecting and marketing recyclable material will extend to all residential recyclable material *except for glass materials*. Chambersburg agrees on its part to prevent as far as lawful, any person other than the Contractor, from collecting, removing, transporting, disposing, or marketing any materials within the limits of Chambersburg, which, under these Specifications, the Contractor is required to dispose or market. Only a licensed recycling hauler under contract with the Borough shall collect, remove, or dispose of recyclables after they have been set out for collection.
3. The scope of work consists of the single stream collection and marketing of recyclable materials, as more particularly defined in Sections 4 and 5 of these Specifications.
4. The items described herein shall be removed WEEKLY from all participating dwelling units within the limits of the Borough. The issue of routes and holidays will be discussed at the mandatory Pre-Bid Meeting to be scheduled on February 14, 2019.

9. The Contractor shall notify the Borough of all "Recycling Collection Holidays" as they may not be the same as holidays that are observed by the Borough. A list will be provided each December 1st for the following year. If a holiday, which is observed by the Bidder, occurs on a regular business day, the customers normally provided recyclables collection on that particular day shall be provided said service on an alternate calendar day the same week.
10. The Contractor shall provide recycling services to each residential dwelling unit participating as a customer in the Borough of Chambersburg residential trash program, the commercial or not-for-profit customers so designated by the Borough of Chambersburg as having a residential-style trash pickup by the Borough of Chambersburg, and the facilities owned/operated by the Borough of Chambersburg. "Residential-style" customers include non-profit clubs and certain small businesses that use four or less 96-gallon totes. In the case of multi-unit apartment buildings, any tenant who has an individual sanitation account with the Borough, irrespective of whether the bill is paid by the tenant or the landlord, will be included with the recycling services provided by the Contractor. Landlords who provide sanitation dumpsters for multiple tenants to use will not be included in this Agreement, but shall independently contract for recycling services with a contractor of their own choosing. The Borough will provide a definitive list of customers to the Contractor at least thirty (30) days prior to the start of service. The Borough may update the list week-to-week and the addition and subtraction of service locations will be the responsibility of the Contractor to note.

11. The Contractor shall, at the request of the Borough, provide to the Borough up to seven hundred (700) new thirty-two (32) gallon watertight plastic garbage cans, with lids, emblazoned with the Borough seal, the words "Borough of Chambersburg" and "Recycling", and the triangular recycling symbol on at least one side of each can. These new recycling containers shall be uniform and consistent in color and design. The Borough will donate its entire existing stock of recycling containers to the successful bidder. The seven hundred (700) thirty-two (32) gallon watertight plastic garbage cans with lids required herein shall be provided by the Contractor at no additional charge as the cost of such containers should be built into the Bid.

Customers may use any watertight, sealable plastic garbage can or bin of a size less than thirty-three (33) gallons as their recycling container, but no garbage bags, plastic bags, supermarket bags, paper bags, etc., may be used for recycling.

Multiple recycling containers shall be available to residents or commercial customers who request more than one container. Additional recycling containers will be provided at no extra charge to residents who request them. Each container will be picked up by the customer from the Borough's Franklin Street facility. Further, each driver is required to record and report to Contractor dispatch the location of any container that is damaged and that cannot be repaired; and further each shall be replaced by the Contractor within one (1) week of the report of damage.

The Contractor will provide a free recycling service to each Borough-owned building and facility. In general, the Contractor will provide one front-loading dumpster for recycling, of a size to be determined by the Borough, for each Borough-owned building or facility. The recycling dumpsters shall be labeled by the Contractor with appropriate stickers to identify the acceptable recyclable commodities. Additional containers shall be supplied, at no cost, for any lost, stolen, or damaged container. If new Borough-owned buildings or facilities are added during the term of the Agreement, then additional recycling dumpsters shall be provided to accommodate the new buildings or facilities.

12. The Contractor shall provide a free carryout service to residents who possess disabilities, which preclude them from taking recycling to the designated location as described above.
13. Contractor shall retain sufficient personnel and equipment to fulfill the requirements and specifications of the services described in this Bid. The Contractor will provide a Route Supervisor to oversee the recycling route of drivers servicing the Borough. The Route Supervisor shall be available to address customer complaints each day. The Contractor shall have a dispatch customer service representative on duty Monday through Friday from 7:00 a.m. to 5:00 p.m. to receive calls regarding route issues. The Route Supervisor and all collection vehicles must be equipped with 2-way communication devices.

Contractor's personnel will be trained both in program operations and in customer service and insure that all personnel shall exercise reasonable care in handling recycling containers and shall not willfully break, deface, or injure the same. Further, said personnel shall maintain a positive attitude with the public and in the workplace and shall:

- A. Conduct themselves at all times in a courteous manner and use no abusive or foul language.
- B. Perform their duties in accordance with all existing federal, state and local laws, regulations, and ordinances, as amended from time to time.
- C. Be clean and presentable in appearance, to the extent possible.
- D. Have an employee identification badge or name tag available at all times.
- E. Drive in a safe and considerate manner.
- F. Manage containers in a careful manner by picking them up, emptying their contents into the collection vehicle, and placing (not throwing or sliding) the container back in its curbside location so as to avoid spillage, littering, and damage to the container.
- G. Monitor for any spillage and be responsible for cleaning up any litter or breakage.
- H. Avoid damage to property.
- I. Not perform their duties or operate vehicles while consuming alcohol or illegally using controlled substances, or while under the influence of alcohol and/or such substances.
- J. Driver must be duly licensed in the Commonwealth of Pennsylvania with the appropriate class of Commercial Driver's License to legally operate the collection vehicle.

Containers shall be returned to an upright position with lid in the same location from which they were taken. All containers broken or destroyed by improper or careless handling by the Contractor shall be replaced by the Contractor at their own expense.

14. Recycling Education Program: The Contractor will supply to Chambersburg a sufficient number of pamphlets and/or notices describing the Recycling Program and containing instructions of the proper preparation of the recyclable materials. These pamphlets and/or notices will be forwarded to the Borough Secretary's Office no later than December 15th for the following contract year. The Borough will be responsible for distributing the same to the residents. Prior to the final preparation of the pamphlets and/or notices, the same must be approved by Chambersburg Borough.

The Contractor will provide an electronic version of said pamphlet information for Chambersburg to post upon their website without restriction.

15. In addition to the information provided by the Contractor in accordance with Paragraph 14, above, the Borough may prepare and distribute additional recycling information to residents each year. For example, the Borough may produce brochures with the annual calendar of recycling collection dates, include articles in their municipal newsletter, and/or include recycling instructions on their website.

The Contractor shall also conduct its own promotions and public education to increase participation and improve compliance with Borough-specified resident preparation instructions. At a minimum, this shall include distribution of resident education tags to be left by curbside collection crews if any unacceptable or non-targeted material is rejected and left at a resident's curb. The resident education tags shall, at a minimum, include an explanation for why the materials were rejected and what the resident should do in the future to ensure that all recyclable materials will be collected. The Contractor shall submit a draft of any public education literature for approval by the Borough at least one (1) month before printing and distribution of any such literature.

As a part of public education, the Contractor shall be required to work with each downtown street fair or event to both provide free-of-charge recycling collection for the event as well as public education and information about recycling in Chambersburg. The cost of providing these services to the downtown street fairs and events should be included in the bid.

Contractors are encouraged to specify additional public education tools that the Contractor will provide. If the Contractor chooses to distribute its own public education information, the Borough contact person(s) must first approve the educational materials.

Contractors are encouraged to work with the Borough in developing innovative financial and other incentives that will help residents, businesses, and institutions increase their recyclables and decrease their mixed solid waste.

16. The Contractor will divide the Borough into geographic sections in conformance with the map distributed at the mandatory Pre-Bid Meeting on February 14, 2019. Said map is incorporated herein by reference.
17. The Sanitation Department Operations Supervisor will be the single point of contact for the day to day operation of the program. The Supervisor will refer all complaints concerning missed pickups to a single point of contact with the Contractor. The Contractor must be able to supply a photocopy of each collection vehicle's log to show the time the collection vehicle was at the complainant's unit.
18. If the Contractor determines that a resident has set out unacceptable or non-targeted recyclable materials, the driver shall use the following procedures:
 - A. Leave the unacceptable or non-targeted materials in the resident's curbside recycling container and leave a Borough approved "Driver Education Tag" indicating the reason(s) the materials were not collected and the proper method of preparation.
 - B. The driver shall record the addresses with unacceptable or non-targeted materials on forms acceptable to the Borough. Contractor shall report the address to the Borough contact at the end of each collection week.

If this procedure for handling unacceptable or non-targeted materials is not feasible for single-stream collection systems, the Contractor must so specify and explain an alternative public education system to maintain and improve the quality of recyclable materials set out by residents. Any alternative procedure for handling unacceptable or non-targeted materials must be approved by the Borough.

19. Contractor shall adequately clean up any loose recyclable materials that have spilled during the course of collection and/ or hauling operations. As stated prior, all collection vehicles shall be equipped with a broom and shovel for use in cleaning up any spills. Any unacceptable materials left behind should be secured within resident's recycling container, if provided. Driver shall take all precautions possible to prevent littering of unacceptable recyclable materials. Contractor shall have no responsibility to clean up any items that are not recyclable materials.

20. The Contractor shall be obligated to protect all public and private utilities and their components, including, but not limited to, power lines, water pipes, telephone poles, etc., whether occupying streets or public or private property. If such utilities are damaged by reason of the Contractor's operations, under the executed contract, he/she shall immediately notify the Borough. The Borough, in its sole discretion, shall either require the Contractor to arrange for repairs or replacement to be made or shall arrange for repairs or replacement to be made itself. In either case, the cost of the repairs or replacement shall either be paid by the Contractor or, if paid by the Borough, shall be deducted from any amount owed to the Contractor by the Borough.
21. The Contractor shall take all necessary precautions to protect public and private property. Except for reasonable wear and tear, the Contractor shall repair or replace any private or public property, including, but not limited to, sod, mailboxes, or recycling bins, which are damaged by the Contractor. Such property damage shall be repaired or replaced, at no charge to the property owner, within forty-eight (48) hours with property of the same or equivalent quality and value at the time of the damage.

If the Contractor fails to address the repair or replacement of damaged property within forty-eight (48) hours, the Borough may, but shall not be obligated to, repair or replace such damaged property, and the Contractor shall fully reimburse the Borough for any of its reasonably incurred expenses. The Contractor shall reimburse the Borough for any such expenses within ten (10) days of receipt of the Borough invoice. If the Contractor fails to reimburse the Borough within ten (10) days of receipt of the Borough invoice, the amount due shall be deducted from any amount owed to the Contractor by the Borough under the Agreement.

22. In the Borough public education information, residents will be directed to call the Borough point of contact for collection and other service issues. The Contractor shall designate a staff person as an account representative for the Borough. A direct phone number (e.g., cellular phone, etc.) shall be provided for Borough staff to use for purposes of communicating immediate service needs. The Contractor shall also designate a back-up contact person, including a corresponding second direct phone number. These Contractor phone numbers will not be published in public education literature, but rather used by Borough administrative staff. The Contractor shall have a duty to pick up missed collections. Contractor agrees to pick up all missed collections on the same day that the Contractor receives notice of a missed collection, provided notice is received by Contractor before 11:00 a.m. on a business day. With respect to all notices of a missed collection received after 11:00 a.m. on a business day, Contractor agrees to pick up that missed collection before 3:00 p.m. on the business day immediately following. Contractor shall provide staffing of a telephone-equipped office to receive missed collection complaints between the hours of 7:00 am and 3:00 pm on weekdays, except holidays. The Contractor shall have an answering machine or voice mail system activated to receive phone calls after hours.
23. If it is determined that a customer was missed in error, the Contractor will be assessed a \$15.00 penalty for each missed customer. If the Contractor does not resolve the complaint within twenty-four (24) hours of notification of the same, then, in addition to the aforementioned \$15.00 penalty, the Contractor shall be assessed a penalty of \$25.00 per incident for each day (including Saturdays and Sundays) that the complaint goes unresolved. Chambersburg will deduct said penalties from the monthly invoice provided to the Borough for these services. Missed pickups shall be determined

solely by Chambersburg based upon reports and complaints from residents and the certified pick-up log. Nothing herein shall prevent or deny Chambersburg from sending staff to collect recycling materials when the Contractor fails to pick up a missed collection.

24. If streets or other public alleys are blocked by ice, snow, street reconstruction, or any other cause, the Contractor is required to have the recyclable materials hand carried to the collection vehicles by the Contractor's personnel no matter how inconvenient such carrying shall be. Blockage of streets is not an excuse to skip pickup.
25. Regardless of whether the Borough elects to pay the Contractor by a per-customer served fee, or a flat lump sum approach to provide the service for the entire municipality, the Contractor shall invoice the Borough monthly pursuant to these specifications.
26. The price stipulated in the Proposal hereto attached shall cover the cost of all labor, material, equipment, containers, disposal costs, and any and all other costs and expenses needed to complete the Contract in all detail. The Contractor shall accept the price stated in the Bid hereto attached as full compensation for the recyclables collection and marketing. No additional payments or multipliers or surcharges shall be accepted. The Contractor shall render one single monthly invoice to the Borough of Chambersburg, in duplicate, on or before the 15th day of each month for the preceding month's work. Payments are to be made within thirty days of the receipt of the invoice.
27. Contractor will keep accurate records consisting of an approved weight slip, or electronic equivalent, including the date, time, collection route, driver's identification, vehicle number, tare weight, gross weight, net weight, and number of recycling stops for each loaded vehicle. Collection vehicles will be weighed quarterly to obtain a tare weight. Paper or electronic versions of each weight ticket shall be maintained on file by the Contractor for at least three years in the event of an audit by the Borough.

The Contractor will report every six months the following information regarding the Borough recyclable materials quantities (in tons):

- Gross amounts of materials collected, by recyclable material;
- Net amounts of materials marketed, by recyclable material;
- Amounts of process residuals disposed; and
- Composition of process residuals disposed.

Semi-annual reports shall be due to the Borough by the 10th day of July and January for material collected by the Contractor during the preceding six months. The Contractor will be encouraged to include in its annual report recommendations for continuous improvement in the Borough recycling programs (e.g., public education, re-education of unacceptable or non-targeted materials, etc.).

28. The Contractor shall maintain no business relationship with the customers of the Borough of Chambersburg Sanitation Department, may not bill them for any fee or charge, may not solicit them for any business or service, nor involve them in the invoicing or collection of penalties or chargeback as may be determined between the Borough of Chambersburg and the Contractor.

29. The Contractor may solicit or contract for solid waste or recycling collection with any commercial customer not a customer of the Borough of Chambersburg Sanitation Department but otherwise within the corporate limits of the Borough of Chambersburg.
30. Chambersburg shall not hold the Contractor responsible for failure to collect recyclables due to striking personnel at a disposal facility, landfill, transfer station, or recycling center over which the Contractor has no control. In the case of a strike at a recycling center, however, the Contractor shall immediately secure an alternative site to market recyclable materials. The Contractor shall be responsible for its striking personnel and shall take any and all measures necessary to fully perform the Contract during any strike or other labor problem.
31. The Contractor shall have a telephone number for their office or plant properly listed in CenturyLink's Franklin County telephone directory, and shall attend said phone during normal business hours (i.e. 9:00 a.m. until 5:00 p.m.) Monday through Friday.
32. The Contractor shall provide both the Sanitation Department Operations Supervisor and the Borough Secretary a cellular telephone number where a field manager or foreman can be contacted. This number shall remain unpublished and is for administrative use only.
33. Should a piece of motorized equipment malfunction, fail, or break down, Contractor shall, within twelve (12) hours, replace or repair said equipment and finish all prior day's collections. The Borough's Service Center must be made aware if equipment malfunction will delay pickups so the Borough may inform residents of the delay.
34. It is intended that all recyclable materials collected by the Contractor will go to recycling centers. The Contractor shall assure the Borough that adequate recyclable material processing capacity will be provided for material collected. The proposals must clearly specify the location(s) of its recyclable materials processing facility (or subcontractor's facility) where material collected from the Borough will be delivered and/or processed. The Contractor shall provide written notice to the Borough at least sixty (60) days in advance of any substantial change in these or subsequent plans for receiving and processing recyclable materials collected from the Borough.

Upon collection, the Borough Contractor shall deliver the designated recyclable materials to a recyclable materials processing center or to an intermediate person to transport for processing at a recyclable materials processing center.

Contractor shall assure that no recyclable materials collected in the Borough are landfilled, composted, or incinerated except for process residuals, defined as those materials unable to be processed as recyclable at the recyclable materials processing center. The Contractor shall dispose of no more than 7% of material (by weight) as process residuals as part of the recyclable materials processing operations. No recyclable materials will be landfilled, composted, or incinerated by the Contractor without written authorization from the Borough.

35. The Contractor shall provide the Borough a written description of the means used to estimate process residuals derived from the Borough's recyclable materials. This written description shall be reviewed and approved in writing by the Borough. This written description shall be updated by the Contractor immediately after any significant changes to the processing facilities used by the Contractor.
36. The Borough will monitor the performance of the Contractor against goals and performance standards required within this Bid and in the subsequent Agreement. Substandard performance as determined in the sole and absolute discretion of the Borough will constitute non-compliance. If action to correct such substandard performance is not taken by the Contractor within 60 days after being notified by the Borough, the Borough may initiate the contract termination procedures.
37. The Contractor shall provide written certification to the Borough that all recyclable materials identified will continuously be recycled and not disposed of in another fashion. Upon request, the Contractor shall provide the Borough with adequate documentation that all recyclable materials have been recycled.
38. The Contractor agrees to maintain the necessary source documentation and enforce sufficient internal controls as dictated by generally accepted accounting practices to properly account for expenses under this contract.
39. The Contractor shall retain all records pertinent to expenditures incurred under this contract for a period of three (3) years after the resolution of all audit findings. Records for non-expendable property acquired with funds under this contract shall be retained for three (3) years after final disposition of such property. Any clause relating to records retention shall survive the termination of the Agreement.
40. The Contractor agrees to comply with all applicable state and federal laws and regulations relating to data privacy or confidentiality. The Contractor must immediately report to the Borough any requests from third parties for information relating to the contract. The Borough agrees to promptly respond to inquiries from the Contractor concerning data requests. The Contractor agrees to hold the Borough, its officers, and its employees harmless from any claims resulting from the Contractor's unlawful disclosure or use of data protected under state and federal laws. Only the company names of Contractors submitting proposals will be made public prior to the award of the contract. All proposal documents shall be held as confidential until the Borough Council awards a new contract and authorizes staff to execute the new contract.
41. All Contractor records with respect to any matters specified in this Bid and subsequent agreements shall be made available to the Borough or their duly authorized agents at any time during normal business hours as often as the Borough deems necessary to audit, examine, and make excerpts or transcripts of all relevant data. Any reports, information, data, etc., given to, prepared, or assembled by the Contractor under a future contract shall not be made available by the Contractor to any other person or party without the Borough's prior written approval. All finished or unfinished documents, data, studies, surveys, drawings, maps, photographs, and reports prepared by the Contractor shall become the property of the Borough upon termination of the Borough's contract with the Contractor.

NON-DISCRIMINATION NOTICE

During the term of the Agreement, the Contractor agrees as follows:

- A. Contractor shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religion, ancestry, national origin, age, sex, disability, or any other trait protected by law. Contractor shall take affirmative action to ensure that applicants are selected for employment, and that employees or agents are treated during employment, without regard to their race, color, religion, ancestry, national origin, age, sex, disability, or any other trait protected by law. Such affirmative action shall include, but is not limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training. Contractor shall post in conspicuous places, available to employees, agents, applicants for employment and other persons, a notice to be provided by the contracting agency setting forth the provisions of this non-discrimination clause.
- B. Contractor shall in advertisements or requests for employment placed by it or on its behalf state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, ancestry, national origin, age, sex, disability, or any other trait protected by law.

Similar notice shall be sent to every other source of recruitment regularly utilized by Contractor.
- D. It shall be no defense to a finding of a noncompliance with Contract Compliance Regulations issued by the Pennsylvania Human Relations Commission or this non-discrimination clause that Contractor has delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Contractor was not on notice of the third-party discrimination or made a good faith effort to correct it promptly after becoming aware of such discrimination, such factors shall be considered in mitigation in determining appropriate sanctions.
- E. Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that contractor will be unable to meet its obligations under the Contract Compliance Regulations issued by the Pennsylvania Human Relations Commission or this non-discrimination clause, Contractor shall then employ and fill vacancies through other non-discriminatory employment procedures.
- F. Contractor shall comply with the Contract Compliance Regulations of the Pennsylvania Human Relations Commission, 16 Pa. Code Chapter 49, and with all laws prohibiting discrimination in hiring or employment opportunities. In the event of contractor's non-compliance with the non-discrimination clause of this Agreement or with any such laws, this Agreement may, after hearing and adjudication, be terminated or suspended, in whole or in part, and contractor may be declared temporarily ineligible for Commonwealth of Pennsylvania contracts, and such other sanctions may be imposed and remedies invoked as provided by the Contract Compliance Regulations.
- G. Contractor shall furnish all necessary employment documents and records to, and permit access to its books, records, and accounts by, the Borough and the Human Relations Commission, for purposes of investigation to ascertain compliance with the provisions of the Contract Compliance Regulations, pursuant to 16 Pa. information requested, it shall furnish such information on reporting forms supplied by the Borough or the Commission.

- H. Contractor shall actively recruit minority subcontractors or subcontractors with substantial minority representation among their employees.
- I. Contractor shall include the provisions of this non-discrimination clause in every subcontract, so that such provisions will be binding upon each subcontractor.
- J. The terms used in this non-discrimination clause shall have the same meaning as in the Contract Compliance Regulations issued by the Pennsylvania Human Relations Commission, 16 Pa. Code Chapter 49.
- K. Contractor obligations under this clause are limited to the Contractor's facilities within Pennsylvania, or, where the contract is for the purchase of goods manufactured outside of Pennsylvania, the facilities at which such goods are actually produced.

 - 2.2 Defends, indemnifies, and holds harmless the Owner from all claims, demands, liens, or suits by any person or entity who furnished labor, materials, or equipment for use in the performance of the Work and/or Services, provided the Owner has promptly notified the Contractor and the Surety (at the address described in Article 12) of any claims, demands, liens, or suits and tendered defense of such claims, demands, liens, or suits to the Contractor and the Surety, and provided there is no Owner Default.
3. With respect to Claimants, this obligation shall be null and void if the Contractor promptly makes payments, directly or indirectly, for all sums due.
4. The Surety shall have no obligation to Claimants under this Bond until:
 - 4.1 Claimants who are employed by or have a direct contract with the Contractor have given notice to the Surety (at the address described in Article 12) and sent a copy, or notice thereof, to the Owner, stating that a claim is being made under this Bond and, with substantial accuracy, the amount of the claim.
 - 4.2 Claimants who do not have a direct contract with the Contractor:
 1. Have furnished written notice to the Contractor and sent a copy, or notice thereof, to the Owner, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the claim stating, with substantial accuracy, the amount of the claim and the names of the party to whom the materials were furnished or supplied or for whom the labor was done or performed; and

2. Have either received a rejection in whole or in part from the Contractor, or not received within thirty (30) days of furnishing the above notice any communication from the Contractor by which the Contractor has indicated the claim will be paid directly or indirectly; and
 3. Not having been paid within the above thirty (30) days, have sent a written notice to the Surety (at the address described in Article 12) and sent a copy, or notice thereof, to the Owner, stating that a claim is being made under this Bond and enclosing a copy of the previous written notice furnished to the Contractor.
5. It will be sufficient compliance if a notice required by Article 4 is given by the Owner to the Contractor or to the Surety.
6. When the Claimant has satisfied the conditions of Article 4, the Surety shall promptly, and at the Surety's expense, take the following actions.
- 6.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed.
 - 6.2 Pay or arrange for payment of any undisputed amounts.
 - 6.3 The Surety's failure to discharge its obligations under this Section 6 shall not be deemed to constitute a waiver of defenses the Surety or the Contractor may have or acquire as to a claim. However, if the Surety fails to discharge its obligations under this Section 6, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs to recover any sums found to be due and owing to the Claimant under this Section 6.
7. The Surety's total obligation shall not exceed the amount of this Bond, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.
8. Amounts owed by the Owner to the Contractor under the Agreement shall be used for the performance of the Work and/or Services and to satisfy claims, if any, under any Performance Bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Work and/or Services are dedicated to satisfy obligations of the Contractor and the Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the Work.
9. The Surety shall not be liable to the Owner, Claimants, or others for obligations of the Contractor that are unrelated to the Work and/or Services. The Owner shall not be liable for payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligations to make payments to, give notices on behalf of, or otherwise have obligations to Claimants under this Bond.
10. The Surety hereby waives notice of any change, including changes of time, to the Agreement or to related subcontracts, purchase orders, and other obligations.
11. No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the location in which the Work and/or Services or part of the Work and/or Services is located or after the expiration of one year from the date (1) on which the Claimant gave the notice required by Paragraphs 4.2.3 or 4.1, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Agreement, whichever of (1) or (2) first occurs. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
12. Notice to the surety, the Owner, or the Contractor shall be mailed or delivered to the address shown on the front page. Actual receipt of notice by Surety, the Owner, or the Contractor, however accomplished, shall be sufficient compliance as of the date received at the address shown on the front page.
13. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the Work and/or Services was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom, and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
14. Upon request by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor shall promptly furnish a copy of this Bond or shall permit a copy to be made.
15. Definitions:

- 15.1 Claimant: An individual or entity having a direct contract with the Contractor or with a subcontractor of the Contractor to furnish labor, materials, or equipment for use in the performance of the Work and/or Services. The intent of this Bond shall be to include without limitation in the terms "labor, materials, or equipment" that part of water, gas, power, light, heat, oil, gasoline, telephone service, or rental equipment used in the Work and/or Services, architectural, and engineering services required for performance of the Work and/or Services of the Contractor and the Contractor's subcontractors, and all other items for which a mechanic's lien may be asserted in the jurisdiction where the labor, materials, or equipment were furnished.
- 15.2 Owner Default: Failure of the Owner, which has neither been remedied nor waived, to pay the Contractor as required by the Agreement or to perform and complete or comply with the other terms thereof.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions.

You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer.
