NOTICE CENTRAL PARKING LOT CONSTRUCTION TO START APRIL 2, 2018

Please be advised that New Enterprise Stone & Lime Co. will start the Central Parking Lot construction project on Monday, April 2, 2018. The project will include re-construction of the Central Parking Lot, the sidewalk leading to South Main Street and resurfacing of Central Avenue, between Lincoln Way and Queen Street, and Burkhart Avenue, between Central Avenue and Harrison Avenue. Work will take place primarily Monday through Friday between 7:00 a.m. and 5:00 p.m. and is expected to be finished in June 2018.

CENTRAL PARKING LOT WILL BE CLOSED DURING CONSTRUCTION

Central Parking Lot permit holders who have prepaid for permits will be issued a permit for the Shoppers Parking Lot on West Queen Street, for the length of time that they have prepaid, or through the completion of the project, whichever is less. For those renewing their parking permits monthly, permits for the Shoppers Lot will be available for sale at Borough Hall. Please refer to map on reverse side.

Vehicle operators that park to the rear of the buildings adjacent to the parking lots will be issued a Borough parking permit for the Shoppers Parking Lot on West Queen Street to be used through the completion of the project. Please refer to map on reverse side.

Vehicle and pedestrian access to the rear of the buildings adjacent to the parking lots will be limited during construction. Sanitation dumpsters for these buildings will be relocated to South Main Street during construction.

Vehicle access on Central Avenue and Burkhart Avenue will be restricted during resurfacing with a New Enterprise Stone & Lime Co. flagging crew to direct vehicles through the construction site.

Please contact Guy Shaul, Community and Economic Development Specialist, at 717-660-2704 or gshaul@chambersburgpa.gov to obtain a Borough parking permit for the Shoppers Parking Lot or if you have questions about the project.

Thank you for your cooperation and patience during the Central Parking Lot construction project.
