Other Sustainability Innovation		
26	Additional Initiative	4
26 A	Provide an on-line link to description of a sustainability innovation that the Municipal Manager/Secretary feels strongly is deserving of additional recognition and is not covered by any of the above the criteria options. <i>"In 2005 the Borough's long-standing partnership with Downtown Chambersburg, Inc. (DCI) was bolstered when the non-profit organization Building Our Pride In Chambersburg (BOPIC) joined to create an Elm Street Neighborhood Plan with the support of a \$25,000 grant from the PA Department of Community and Economic Development (DCED). The five-year strategic plan outlines goals and objectives to enhance the neighborhood areas located to the east and south of downtown that are predominantly older residential uses interspersed with commercial neighborhood uses. Southgate Shopping Center is a key component of the redevelopment strategy. Beyond redevelopment, the plan outlines other community development initiatives such as opportunities for resident participation in the decision-making process, improved property maintenance code enforcement, affordable housing opportunities and neighborhood safety patrols." - Phil Wolgemuth, Assistant to Borough Manager/Land Use & Development Director</i> <i>Source: Elm Street Neighborhood Plan, http://www.chambersburgpa.gov/pdf/Elm-Street-Plan-5-2007.pdf</i>	2
