

Borough Curb and Sidewalk Work Process

A Curb & Sidewalk Permit application needs to be filled out and returned. Applications for this are available at Borough Hall, 100 S. Second St., 2nd Floor or you can call (717) 261-3221. After the application is received, you may stop back about one (1) hour later at the address above to pick up the permit unless the work will be done on a State street. If the work will be on a State street, it will be several weeks until the State Highway Occupancy Permit is ready. The Borough will call when the permits are ready to be picked up.

The cost will be \$15.00 on a Borough non-state street and \$45.00 on a State street.
